Dear Health Care Professional,

I am writing this letter in support of a competent and gifted therapist who lives in your community. Her name is Jane Moody.

Ms. Moody's particular approach can help a broad cross section of the most challenging of our patients. The list would include people suffering from depression, post-traumatic stress disorder, chronic pain as well as survivors of abuse and people in the midst of situational crises. I am comfortable referring patients into her care.

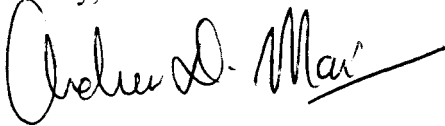

She works closely and intensively with her clients to assist them to access their own sources of strength and empowerment through a variety of techniques including massage therapy and counselling.

She is a member of the Associated Bodywork and Massage Professionals.

Appointments can be made by calling (902) 275-3016.

I appreciate you taking the time to read this letter and believe that Ms. Moody is an asset to the mental health services provided in you community.

Sincerely,

A handwritten signature in black ink that reads "Andrew D. Mai". The signature is written in a cursive style with a long horizontal stroke at the end.
